26<sup>th</sup> February 2020

Dear Parents,

As you may be aware the Government has introduced compulsory 'Relationships Education, Relationships and Sex Education (RSE) and Health Education' to primary schools from September 2020. If you wish to read the Department for Education document it is available from [www.gov.uk/government/publications](http://www.gov.uk/government/publications).

The school has considered the information in this statutory guidance and updated the Relationships and Sex Education Policy and produced a Jigsaw Policy - the curriculum we use to support the teaching and learning in PSHE. We have distributed these documents and the relevant section of the Bleakhouse Curriculum Progression Book for you to review.

At Parents Evening on Wednesday 4<sup>th</sup> March 2020 and Thursday 5<sup>th</sup> March 2020 there will be a Relationships Education comment box for you to share any feedback that you wish to share regarding these documents. On Friday 6<sup>th</sup> March the comment box will be in the school reception. After this time, the parental comments will be discussed with the Governors, Senior Leaders and school staff.

Paper copies of this letter and the documents listed within it can be requested from the School Office.

Yours sincerely,

Mrs. R.L. Soudani  
Deputy Head
